**LOCAL WOMEN GET
THOUSANDS OF
EXTRA RED POINTS**

Every day, precious red points are being paid to housewives who turn in used fats to their butchers. Because this country is faced with a possible fat shortage, these used kitchen fats are even more urgently needed to make medicines, synthetic rubber, gunpowder, soap, paints and a hundred other essentials on the battlefield and home front.

Every woman can help towards final Victory by saving every drop of used fats each time she cooks. Even a spoonful is worth salvaging. Won't you keep saving until final Victory over both Germany and Japan?

**Unidentified Woman
Questioned in Death
Of Lieutenant's Wife**

By the Associated Press.
COLUMBIA, S. C., Feb. 16.—Police today questioned a woman whose identity they kept secret as they sought to establish a motive in the death of 26-year-old Mrs. Mary Lee Epes, wife of an Army lieutenant who has been formally charged with her murder.

The body of Mrs. Epes, a school-teacher, was found in a maneuver foxhole near Port Jackson Wednesday after her husband, Lt. S. C. Epes, son of a Richmond (Va.) industrialist, led officers to the lonely spot. Lt. Epes said she had died of an overdose of sedative, but an autopsy showed she apparently had been drugged and bludgeoned to death.

Lt. Epes.

Lt. Epes, weak from the loss of blood because of razor wounds which Army authorities said were self-inflicted, rode in an ambulance to the scene and admitted, Sheriff T. Alex Heise said, he had buried his wife there.

Police said the woman being questioned lived in Lake Charles, La., where Lt. Epes was stationed before he was transferred to Fort Jackson last year.

Fort Jackson authorities said Lt. Epes attempted suicide last Monday. He was kept in the post hospital, to which he was attached, until last night, when he was surrendered to civilian authorities and removed to the hospital at the State penitentiary.

Lt. Epes told officers, the sheriff said, that he had planted his wife's pocketbook in the gutter of a downtown street the day he reported her missing, hoping that officers would think she had dropped it there. She had been reported missing 16 days before the body was found.

Last night as Lt. Epes entered the prison hospital, the sheriff said, he handed him a check for \$100 to offer as a reward for the return of the pocketbook.

Until Lt. Epes entered the Army, the couple lived in Richmond, where

he was associated with his father, T. H. Epes, sr., president of the Epes-Fitzgerald Paper Co.

The couple was married in Jacksonville shortly after Miss Williams was graduated from William and Mary College in June, 1942.

Afterward Mrs. Epes went to Jacksonville to live with her parents, Mr. and Mrs. T. G. Williams, and taught school.

**Mrs. Roosevelt Subpoenaed
To Stinson Lunacy Hearing**

Attorney James J. Laughlin, who will represent Joseph W. Stinson, 61, at a District Court lunacy hearing next Wednesday, had

subpoena issued today for Mrs. Franklin D. Roosevelt to testify at the hearing.

Mr. Laughlin said he wanted Mrs. Roosevelt to testify that Mr. Stinson had been entertained at the White House and that, therefore, an alleged trip he made there was reasonable, in that Mr. Stinson believed a call he had received was from the White House. Later, according to Mr. Laughlin, Mr. Stinson decided some one had called him as a joke.

On February 6 Mr. Stinson was unsuccessful in his efforts to retain a release from Gallinger Hospital in a habeas corpus proceeding, when Justice Henry A. Schweinhaut of District Court ruled that his arrest and detention were legal.

Temple Heights Proposal

A proposal that the Government purchase Temple Heights at Connecticut and Florida avenues as a temporary recreation center, to be dedicated after the war as a memorial to war veterans, was placed before the House yesterday in a bill offered by Representative Izaac, Democrat, of California.
